Convention Chair  
National Vice President  
IMC, U.S.A.

Dear,

First of all please accept my hearty congratulations for making such an endeavour to inculcate the ideology of International Brotherhood, plural thinking and mutual respect and tolerance with various religions and beliefs. Please convey my wholehearted support and good wishes for this Noble thought and movement to all those who share it.

In present day scenario when solidarity across the world is of much more relevance, I convey my best wishes for its success.

I am deeply touched and feel indebted for your invitation to attend the convention. I also feel honoured for considering me as an Icon for younger generation and budding sportpersons inspite of the fact that I also am at the beginning of my journey and need to travel a long way to reach to the target set for me by Almighty Allah. Inspite of my wishes to meet you all engaged in this holy cause, I am unable to do so due to my pre-decided heavy schedule.

As humble token of best wishes and solidarity with the cause, 25 cricket bats specially autographed by me for this occasion to encourage budding sportpersons.

I earnestly hope and keenly pray to Almighty Allah-Tala that, Inshah Allah, I will be able to attend the convention on next opportunity.

Millions of thanks again for considering me worthy for invitation as Icon.

Yours sincerely,

( Irfan Pathan )
