Indian Muslim Council-USA

Dear Sir:

We are happy to welcome your efforts in bringing people of all faiths together at your second annual convention in Chicago.

Meetings like this are very necessary for Promoting Communal Harmony and Secularism in India and the world.

Non Resident Indians can play a very vital role towards these goals by taking a strong stand against the false propaganda unleashed by the Hindutvawadis, who create climate of hate and fear for their own vested interest of acquiring political power and economic gain.

Members of 'Sangh Parivar' have failed to understand the real teachings of their own Hindu faith and have today become the greatest threat to the unity and integrity of India.

A time has come in the history of our nation and the world when the 'real' Hindus must rise and repudiate the false propaganda of the 'Sangh Parivar' and form strong bonds of love and friendship with all Muslims, Christians and followers of other faiths.

We at *Vaishnava Center for Enlightenment* commend the Indian Muslim Council and send our best wishes for a very successful second annual convention. With appreciation for your efforts,

Yours in Service to Sri Krishna,
Shrikumar Poddar
